

El Futuro

- ◆ We use future tense conjugations to talk about what we or others will or shall do in the future.
- ◆ Just like in English, we can also use the combination [ir + a] to talk about what we are going to do in the future.

Conjugation: **KEEP the original ending** (*infinitive form*) and add the new corresponding ending.

- ◆ All regular verbs share the same endings in regular and irregular versions.

Future: -ar, -er, -ir (regular)

yo	-é	nosotros	-emos
tú	-ás	vosotros	-éis
él, ella, usted	-á	ellos, ellas, ustedes	-án

Some verbs have irregular stems in the future tense. Note that their future endings (-é, -ás, -á, -emos, -éis, -án) are the same as those of regular verbs.
